Where We Are

Who We Are

We Are Experiential Marketing Connoisseurs.

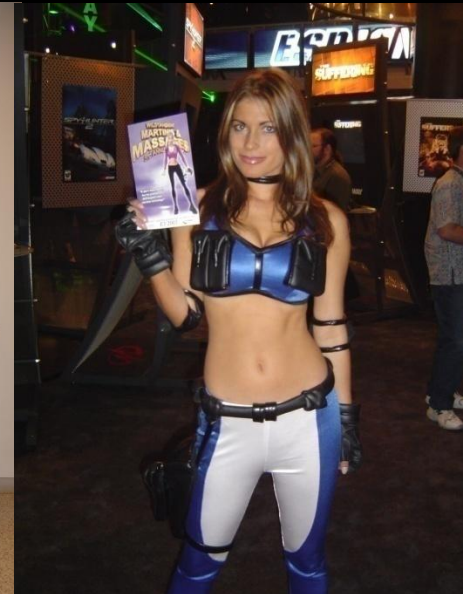

- Nothing excites us more than a successful, innovative promotional event.
- Our passion for experiential marketing continues to grow as marketing agencies explore new realms of consumer experiences.
- We are launching Devolution Solutions with over a decade of experience staffing and executing flawless programs
- We love this line of work, and we love what you do! So let us help out!

What We Do

We Ensure Your Programs' Success.

- Our principle function is to accommodate clients with the highest quality event staff for their marketing endeavors.
- We book the most qualified, experienced and reliable promotional models, market managers and brand ambassadors and never compromise the standards of our company or our clients'.
- We have a database of thousands of staff nationwide ready to work for you!
- Working with all companies, from large marketing firms to small boutiques has given us great understanding of experiential programs.

How We Do It

We Create And Sustain Solid, Long-Term Relationships.

- Clients are our captains in command, but never our masters.
- Staff are our trusted tools, but never our slaves.
- Everyone is an integral gear in the marketing machine and deserves our respect.

We Have Learned From The Best

- Many years of involvement in this industry, has given us the hands-on experience to deliver prime results.
- Every project we tackle adds to our dynamic practice.
- Our mentors continue to teach us and show us how to improve.

Why We Do It

We Love This Stuff!

- The diversity and ever-progressing nature of this business keeps us busy and productive; we are always ready and on the lookout for fresh new projects.
- It is so fulfilling when we find great staff members for a promotional team; connecting people is very satisfying and key to our mission.
- When our clients are happy it gives us a great sense of accomplishment.
- It's Fun!!!

Why You Need Us!

We Will Always Be As Dedicated As You Are.

- We live by the principle, "put in what you want to get back," and never compromise our project allegiance.
- We give generously to those that believe in our work.
- We rely on open and honest, direct communication in order to continuously succeed.
- Our livelihood is dependant on your satisfaction!

Where We Are

We Are At The Right Place At The Right Time

- Based in L.A. with staff nationwide, our agency has far reaches and a global vision.
